## AIRWORTHINESS DIRECTIVE

---

On the effective date specified below, and for the reasons set out in the background section, the CASA delegate whose signature appears below revokes Airworthiness Directive AD/PARA/18.

---

### Parachute Equipment

**AD/PARA/18      VIGIL Parachute Automatic Activation Device      8/2008  
TX**

Requirement:      CANCELLED.

This AD is cancelled on 13 June 2008.

Background:      This AD was raised against French DGAC AD UF-2008-005. CASA has cancelled this AD because it is confusing and the French DGAC is not the Airworthiness Authority responsible for the affected parachute automatic activation device. The Belgian authority has not issued an equivalent AD.
