

Australian Team Managers Required

Are you a leader with proven team management skills

Are you passionate about representing Australia

Can you help our athletes perform to their best

The Australian Parachute Federation will be sending a delegation of our skydiving champions to Tanay in Russia to represent Australia in the FAI World Parachuting Championships.

We require 4 outstanding individuals to represent the athletes and Australia at the highest level. Team Manager positions are available for the following teams and individuals:

- Classic Accuracy and Canopy Piloting
- Formation Skydiving (4-way Open, 4-way Female, 8-way Open and VFS)
- Artistic Events (Freefly and Freestyle) and Wingsuiting.
- Canopy Formation and Speed

The WPC is being held between the 8th and 22nd of August, 2020.

The ideal managers are skilled in negotiation, have a complete understanding of the FAI and ISC rules relating to the event and the disciplines and will possess the skills required to manage a large group of competitors. You will also have attention to detail, be aware of and have an intuition for foreseeing and preventing/mitigating problems that may occur.

Refer to Section 5 of the Sporting Code for duties and responsibilities prior to and during competition.

Suitably qualified people can apply in writing to:

The Sport & Competition Committee (SCC): development@apf.com.au

Applications close Monday 17th February, 2020.

Successful applicants will receive return airfares and Entry fees to the WPC's.
